**Attachments:** 2022.07.18 FOIA Request to EPA RE FL Clothianidin 24(c).pdf

Good Morning gentlemen,

I work in The Public Information and Records Integrity Branch of The Communication Services and Information Division of OPS and I was hoping you might be able to assist me with a FOIA Request I have received. I am attached the original request letter from The Center for Food Safety to this email as it supplies the greatest amount of detail to the request. Any assistance you could provide with this FOIA Request would be greatly appreciated.

Sincerely,

Gibbs Moore  
Government Information Specialist  
OCSPP/OPS/CSID/PIRIB
